Dear Mr Steele,

### **Final inspection report**

Raise Education and Wellbeing School

Following your recent inspection, we are pleased to share with you the final version of your inspection report. We will usually publish the report eight working days from the date of this letter on the [Ofsted reports website](#).

Paragraph 32(1)(d) of [The Education \(Independent School Standards\) Regulations 2014](#) requires the proprietor of the school to distribute the report to the parents of each registered pupil and to publish it on the school's website. Please distribute the report to parents within five working days from the date of this letter.

If you experience any difficulties accessing the report on the Ofsted website, please contact us – the inspection support administrator listed below is your best point of contact.

If you are dissatisfied with your inspection report or the inspection process, you may submit a formal complaint using the form on the [Ofsted website](#). You should submit any complaint by the end of the fifth working day from the date of this letter.

### **Post-inspection survey**

We invite you to complete our short post-inspection survey on the [provider portal](#) with your views on the inspection process. This includes your views on the impact the inspection is likely to have in bringing about improvement to your provision. By responding to this survey, you will help Ofsted improve the inspection process.

Yours sincerely,

Sue Eastwood HMI  
Lead Inspector
